Notice

A documentary "KOLKATA 2070" on Kolkata city and climate change will be screened at our college on 1st of August 2018 starting from 12-30 pm at ground floor seminar hall.

This documentary deals with the Environment and Climate Change challenges faced by the city of Kolkata. The duration of the film is about 30 minutes followed by question answer session. A group of 4-5 students shall participate in the discussion after the screening of Kolkata 2070. The programme will end at 2pm.

This will help the students of our college to understand the importance of Environment and Climate change challenges and actively participate in this social cause. In turn, the students will earn points in participating such active programme as per university & AICTE to meet "Mandatory Additional Requirements".

All the Students, faculty members and staff of the College are requested to attend the programme at Ground Floor Seminar Room, Main Building on 1st August 2018 at 12:30 pm.
